Dear Mr and Mrs Holmes

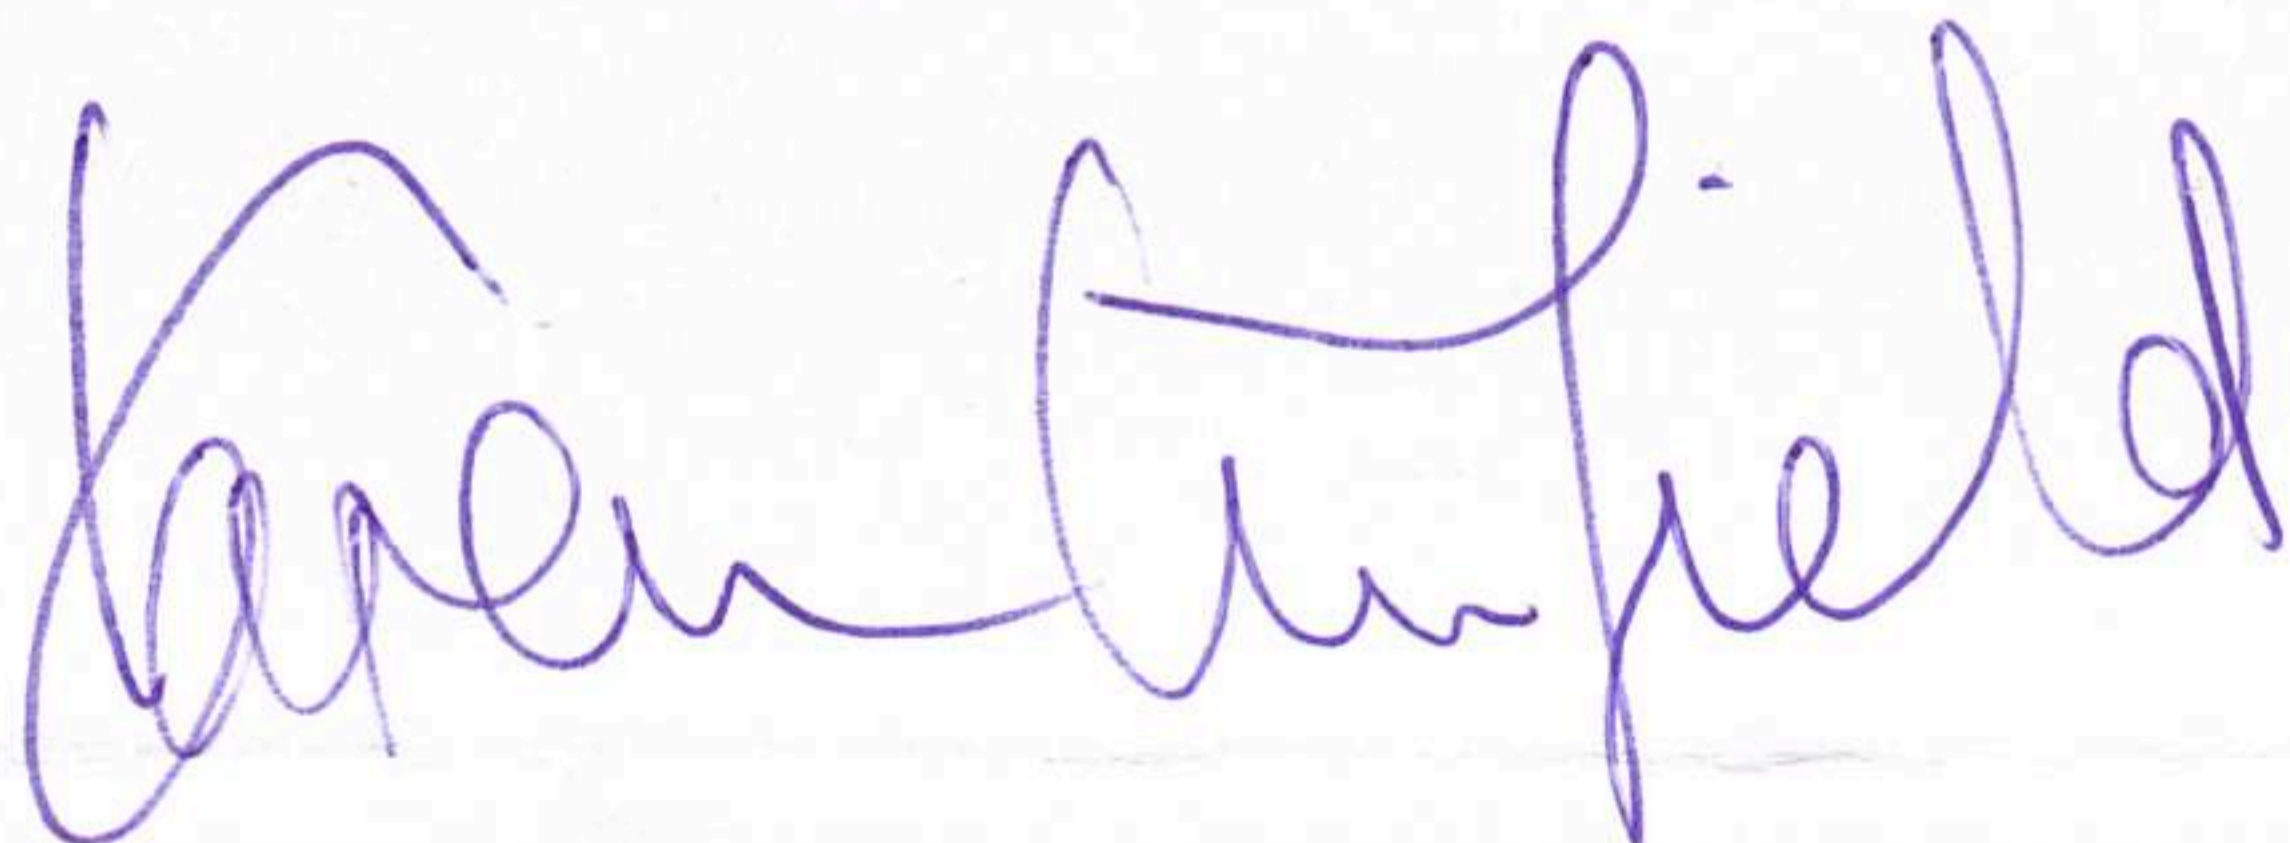

## Minors on Tour, June 2008

Thank you for your letter of 25 August enclosing cheques totalling £1,500.50. This is a splendid amount and I am most grateful that the "MOT" continue to remember Leuka each year. Please pass on my thanks to all those who made the donation possible!

Leuka helps to support the costs of research into the causes and treatment of leukaemia at the Hammersmith Hospital. I enclose a leaflet for your interest.

My thanks again and kind regards.

Yours sincerely

Karen Linfield
